**MSD Notice of Construction Completion
LEHMAN ROAD SEWER REPLACEMENT
In City of Cincinnati, Hamilton County, Ohio**

Cincinnati, March 23, 2007 – Managed by the Metropolitan Sewer District of Greater Cincinnati (MSD), Larry Smith Contractors substantially completed the Lehman Road Sewer Replacement project on February 26, 2007.

The project is located in Lehman Road between Elberon and Blanchard Avenue, in the East Price Hill neighborhood of the City of Cincinnati. Construction consisted of connecting into existing sewer manholes and installing approximately 146 feet of 18 inch diameter PVC pipe gravity flow sewer, with ancillary work.

This project is part of MSD's ongoing Capital Improvement Program (CIP), which is focused on continually updating and improving the operation of MSD's wastewater collection and treatment systems.

Every day, the Metropolitan Sewer District of Greater Cincinnati (MSD) manages the effective collection and treatment of more than 200 million gallons of wastewater and actively maintains 3,000 miles of sanitary and combined sewers that run through the 49 municipalities and townships of Hamilton County. Owned by Hamilton County and operated by the City of Cincinnati, MSD is committed to continually maintaining and improving its wastewater collection and treatment systems for the betterment of both public and environmental health.
